 No Effect Determination (From CDFW)

Project Description

The project site is a through lot fronting Mission and Jessie streets, currently used as a surface parking lot for 15 vehicles. The project sponsor proposes the new construction of a nine-story, approximately 84-foot-tall

residential building containing 57 single room occupancy (SRO) units (29,704 square feet), and 410 square feet of community space on the ground floor. The project would provide 57 class 1 bicycle spaces within the building and four class 2 bicycle spaces on the sidewalks. No vehicle parking is proposed. The proposed project would include a total of 2,050 square feet of open space on the ground floor and on the roof. The proposed building would be supported on a mat foundation or drilled piers, involving 350 to 550 cubic yards of soil excavation. If piers are used for foundation support, approximately 60 16-inch-diameter auger cast-in-place piles would be drilled to a depth of 50 feet below ground surface.

Determination

The City and County of San Francisco decided to carry out or approve the project on January 12, 2023, when the Planning Commission adopted the FMND and approved the Section 309 Downtown Project Authorization. The project was officially approved on January 28, 2023—the day after the close of the 15-day appeal period—after no appeal of the Downtown Project Authorization was filed. Project documents may be examined at the San Francisco Planning Department at 49 South Van Ness Avenue, 14th Floor, San Francisco in file nos. 2022-009297DNX and 2020-009297ENV-02.

1. A mitigated negative declaration has been prepared pursuant to the provisions of CEQA. It is available to the public and may be examined at the Planning Department at the above address.
2. A determination has been made that the project in its approved form will not have a significant effect on the environment.
3. Mitigation measures were made a condition of project approval.

CEQA Filing Fee No Effect Determination

Applicant Name and Address: 1010 Mission Street LLC, 4653 Mission Street, San Francisco, CA 94112

CEQA Lead Agency: San Francisco Planning Department

Project Title: 1010V Mission Street (2022-009297ENV-02)

CEQA Document Type: Mitigated Negative Declaration

State Clearinghouse Number and/or local agency ID Number: 2022110178

Project Location: 1010V Mission Street, City and County of San Francisco. Assessor's Block 3703, Lot 026.

Brief Project Description: The project site is a 4,464-square-foot lot fronting Mission and Jessie streets. The site is currently used as surface parking for 15 vehicles. The project involves demolition of the surface parking lot and the new construction of a nine-story, 84-foot-tall building containing 57-single-room occupancy residential units (29,704 square feet), 410 square feet of ground-floor community space, and 2,050 square feet of open space (1,470 square feet on the roof and 580 square feet on the ground floor). No vehicle parking is proposed. The project requires Downtown Large Project Authorization and Conditional Use Authorization by the San Francisco Planning Commission.

Determination: Based on a review of the project as proposed, the Department of Fish and Wildlife has determined that for purposes of the assessment of CEQA filing fees (Fish & G. Code, § 711.4, subd. (c)) the project has no effect on fish, wildlife or their habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records. Local lead agencies are required to file two copies of this determination with the county clerk at the time of filing the Notice of Determination (NOD) after the project is approved. State lead agencies are required to file two copies of this determination with the Governor's Office of Planning and Research (i.e., State Clearinghouse) at the time of filing the NOD. If you do not file a copy of this determination as appropriate with the county clerk or State Clearinghouse at the time of filing the NOD, the appropriate CEQA filing fee will be due and payable.

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for **CRP** document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
