Project Title: Lorenz Road Over Middle Weaver Creek Bridge Replacement Project

Project Applicant: Trinity County Department of Transportation

Project Location (include county): Lorenz Road and State Hwy 3, Weaverville, Trinity, CA.

Project Description:

The Trinity County Department of Transportation proposes to improve public safety and increase hydraulic capacity by replacing the existing bridge (No. 05C-0036) on Lorenz Road over Middle Weaver Creek, and constructing the necessary roadway approach improvements. The proposed project is intended to expand the road to accommodate the volume of vehicle and pedestrian traffic that uses the road, expand the shoulders and sidewalks along the corridor, and add external barriers to each side of the bridge. The project would be federally funded through the Federal Highway Bridge Program, which is administered by the California Department of Transportation (Caltrans) on behalf of the Federal Highway Administration.

This is to advise that the Trinity County Department of Transportation has approved the above (Lead Agency or Responsible Agency)

described project on April 6th, 2023 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Trinity County Department of Transportation
