Project Title: Pond Shorezone Repair/Protection (Lake and Streambed Alteration Agreement EPIMS Notification No. PLA-32304-R2)

Project Location: The project is located at Lake Tahoe, in the County of Placer, State of California; Latitude 39.184400° North, Longitude 120.10078° West, 3240 Edgewater Drive, Tahoe City CA, 96145.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement EPIMS Notification Number PLA-32304-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Randall Pond.

The project is limited to removing the existing revetment and replace it in kind. The following activities are part of this project:

- 1) All activities will be carried out from the water side of the property by means of an amphibious vehicle or barge mounted long reach excavator. All stone and erosion control materials will be transported to the site, and staged, from the lake side of the property via the barge or amphibious vehicle.
- 2) The current, failed, rock revetment (Approximately fifty-five (55) feet in length) on the bank and shoreline of the property, extending across the property to the existing Public Utility District pumping station, will be removed.
- 3) The slope will be smoothed, and the site lined with appropriate geotextile fabric to minimize ongoing erosion due to wave action from the lake.
- 4) Clean native stone will be into place on the bank, including keying in of large stones at the toe of the revetment to provide greater stability in resisting recurring erosive forces, by means of the excavator.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

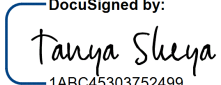

Person or Public Agency Carrying out Project: Randall Pond

Exempt Status:

- Categorical Exemption. Type – Class (2, 4); California Code of Regulations, title 14, sections (15302, 15304)

Reasons why project is exempt: Class 2 because the project consists of replacement of an existing structure (pier). Class 4 because the project consists of a minor alteration of land which does not involve the removal of healthy, mature, scenic trees.
