Project Title: Burns Property - Dock Rebuild (Lake and Streambed Alteration Agreement EPIMS Notification No. NEV-14345-R2)

Project Location: The project is located at Donner Lake, in the County of Nevada, State of California; Latitude 39.328651, Longitude -120.25314; 13815 Donner Pass Road, Truckee 96161; Assessor's Parcel Number 018-352-005-000.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement EPIMS Notification Number NEV-14345-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Louis and Karen Burns.

The project is limited to the removal of the existing dock and boathouse and the construction of a new private dock within the same footprint. The construction of the new dock will consist of installing caissons around the new piling locations. There will be 26, 14-inch diameter steel pilings driven approximately 6-feet into the lakebed or until refusal to support the dock. The steel substructure will be installed via barge or amphibious vehicle. The steps and skews located to the east of the dock/boathouse will also be removed.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

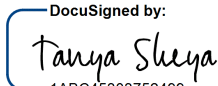

Person or Public Agency Carrying out Project: Louis and Karen Burns

Exempt Status:

- Categorical Exemption. Type – Class (2 & 4); California Code of Regulations, title 14, sections (15302 & 15304)

Reasons why project is exempt: This project is class 2 exempt because it consists of the replacement of an existing structure where the new structure will be located on the same site as the structure being replaced and will have the same purpose and capacity. The project is class 4 exempt because it consists of minor alterations to land and water which do not involve removal of healthy, mature, or scenic trees.
