**SUBJECT: *Filing of Notice of Determination pursuant to Public Resources Code section 21108***

**State Clearinghouse Number:** 2022110591

**Project Title:** County Road 49 over Hamilton Creek Bridge Replacement (Streambed Alteration Agreement EPIMS Notification No. YOL-39380-R2)

**Project Location (include county):** The project is located at intersection of County Road (CR) 49 and Hamilton Creek, in the County of Yolo, State of California; Latitude 38.83140° N, Longitude -122.20260° W (WGS 84 datum, decimal degrees); Assessor's Parcel Number 060-090-003-000.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement EPIMS Notification Number YOL-39830-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Yolo County Department of Community Services, as represented by Ahmad Aleaf.

The Project consists of replacement of an existing single-span bridge with an earth-filled concrete arch. The new bridge will be along a similar alignment as the existing structure. The new bridge is anticipated to be a single-span structure approximately 61 feet long and will accommodate two (2) 10-foot travel lanes and 2-foot shoulders. The structure type of the bridge is expected to be a cast-in-place, post-tensioned concrete slab and the profile of the bridge will be raised to clear a 30- to 40-year storm event. A temporary stream diversion is anticipated in order to complete project activities. Relocation of overhead electrical and communication lines, including two (2) utility poles, and underground telecommunication lines are anticipated as part of the Project.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.

## Notice of Determination

---

2. CDFW considered the mitigated negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Lake and Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
