Project Title: Washington Street Sewer Bypass Project

Project Applicant: Castroville Community Services District

Project Location (include county): Castroville, Monterey County

Project Description:

The project would involve installation of a 24-inch sewer main, approximately 1,400 feet in length, from the intersection of Washington Street and Merritt Street/State Route 183 to the corner of Washington Street and Tembladera Street in the unincorporated community of Castroville, then across undeveloped areas and underneath SR 1 to the M1W pump station located at the south end of Watsonville Road. Pipeline construction would consist of conventional open-cut trench methods and a trenchless crossing.

This is to advise that the Castroville Community Services District has approved the above
 Lead Agency or Responsible Agency)

described project on 2/22/2023 and has made the following determinations regarding the above
 (date)
 described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
