Project Title: Washington Street Sewer Bypass Project

Project Applicant: Castroville Community Services District

Project Location (include county): Castroville, Monterey County

Project Description:

The project would involve installation of a 24-inch sewer main, approximately 1,400 feet in length, from the intersection of Washington Street and Merritt Street/State Route 183 to the corner of Washington Street and Tembladera Street in the unincorporated community of Castroville, then across undeveloped areas and underneath SR 1 to the M1W pump station located at the south end of Watsonville Road. Pipeline construction would consist of conventional open-cut trench methods and a trenchless crossing.

This is to advise that the Castroville Community Services District has approved the above (Lead Agency or Responsible Agency)

described project on 2/22/2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

11499 Geil Street, Castroville, CA 95012 and https://ceqanet.opr.ca.gov/2022120156
