Subject: SCH # 2022110634/Initial Study No. 7847 and Tentative Tract Map  
Application No. 6323: Document correction

Good afternoon,

The purpose of this memo is to request a correction to one of the documents submitted to the State Clearinghouse for review for the above-named project. The requested change is simply to add strike through to text describing a mitigation measure under the Cultural Resources section of the Initial Study Write-Up which was included in error. Please add IS 7847 Write Up red line to the existing attachments please, with no change in review period dates. Your attention to this matter is appreciated.

Thank you.

Sincerely,

Jeremy Shaw, Planner
