To whom it may concern,

The California Department of Transportation (Caltrans), as the lead agency under the California Environmental Quality Act (CEQA), has approved the State Route (SR) 1 Culvert Replacement Project's Final Initial Study with Mitigated Negative Declaration (IS/MND). This Final IS/MND was posted June 30, 2023 (SCH# 2022120084).

The purpose of this memorandum is to provide an update to the Notice of Determination (NOD) form submitted on June 30, 2023. The previously submitted NOD states that Findings **were** made pursuant to CEQA. Due to the Project being cleared through an IS/MND, as opposed to an EIR, the NOD was updated to state that Findings **were not** made pursuant to CEQA.

Attached is the revised NOD reflecting this correction as of July 6, 2023.

We apologize for any inconvenience that this may cause and greatly appreciate your understanding.
