Dear Mr. Barczewski:

In accordance with the request of your consultant, Mr. Paul Metcalf, *Geotechnical Exploration, Inc.* herein responds to a geotechnical related question posed by the City of San Diego LDR-Geology reviewer in a memo dated 6/22/2020 with respect to the proposed project at the subject property.

COMMENTS AND RESPONSES

Issue No. 4: The project's geotechnical consultant must comment whether or not the proposed site development as recommended will measurably destabilize neighboring properties or induce settlement of adjacent structures.

GEI Response: We have reviewed the preliminary grading plan dated 12/6/2019 and it is our opinion that the proposed development constructed as recommended will not measurably destabilize neighboring properties or induce settlement of adjacent structures.

If you have any questions regarding this matter, please do not hesitate to contact our office. Reference to our **Job No. 19-12420** will help to expedite a response to your inquiries.

Respectfully submitted,

GEOTECHNICAL EXPLORATION, INC.
