Project Title: City of Needles General Plan Update Land Use and Transportation Elements

Project Applicant: City of Needles

Project Location (include county): Needles, San Bernadino County, California, 92363

Project Description:

The City of Needles is updating its General Plan Update for Land Use and Transportation Elements of the Current General Plan to guide the City's growth and development for the next 20 years through 2040. This involves creating consistency across the General Plan and Zoning maps, introducing mixed-use development, and the updating the circulation system.

This is to advise that the City of Needles has approved the above (Lead Agency or Responsible Agency)

described project on February 28, 2023 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
