**Project Description:** *(please use a separate page if necessary)*  
 The City of Lawndale is preparing a comprehensive update to its existing General Plan. The General Plan Update is intended to be an expression of the community's vision for the City and Planning Area and constitutes the policy and regulatory framework by which future development projects will be reviewed and public improvements will be implemented. The Lawndale General Plan Update includes a comprehensive set of goals, policies, and actions (implementation measures), organized into Elements, as well as a revised Land Use Map. The Lawndale General Plan will include all of the State-mandated elements, and will address two optional topics: Economic Development and Community Facilities.

*Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.*
