**SUBJECT:** Filing of Notice of Determination pursuant to Public Resources Code section 21108

**State Clearinghouse Number:** 2022120173

**Project Title:** Campbell Creek Culvert Replacement Project (Lake or Streambed Alteration Agreement No. EPIMS-NAP-40176-R3)

**Project Location (Napa County):** The project is located at Campbell Creek, in the County of Napa, State of California; Latitude 38.407229 °N, Longitude -122.433236 °W. The Project is located approximately 150 feet from the intersection of Dry Creek Road and Oakville Grade Road, near the Lakoya Fire Station.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement (EPIMS-NAP-40176-R3), pursuant to Fish and Game Code section 1602, to the project Applicant, Napa County Public Works Department.

The Project will replace an existing perched, undersized culvert with a bottomless arch bridge precast culvert where Dry Creek Road crosses Campbell Creek. Replacement of the existing culvert will include installation of a dewatering system, removal and excavation of the existing culvert, construction of the new bottomless arch culvert, reconstruction of the roadway over the new culvert, grading of the streambed to lay back banks, restoration of the streambed, and revegetation.

This is to advise that CDFW, acting as a Responsible Agency, approved the project described above on 4/3/2025 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the **Mitigated Negative Declaration** prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures **were** made a condition of CDFW's approval of the project.
4. A Mitigation Reporting or Monitoring Plan **was not** adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The Mitigated Negative Declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office.
