NOTICE OF EXEMPTION

Project Title:

6419 Orilla Court Lot Line Adjustment

Control Number:

PLNP2021-00270

Project Location:

The property is located approximately 80 feet northeast of the Agua Vista Drive and Orilla Court intersection, in Rancho Murieta within the Cosumnes community of unincorporated Sacramento County.

APN:

073-0690-058 and 073-0090-063

Description of Project:

The project proposes to shift the existing lot lines of APN -058 approximately 15 feet to the northwest. The footprint of the existing single-family residence currently crosses the existing lot lines of APNs -058 and -063. With the project, as confirmed by the applicant, the existing single-family residence would be located entirely within Resultant Parcel 1. The distance between the existing single-family residences on Resultant Parcel 1 and on the nearest lot (APN 073-0690-023 [APN -023]) to the southeast is approximately 5 feet.

Exempt Status:

Categorical Exemption (PRC Section 21084; California Environmental Quality Act (CEQA) Guidelines Sections 15300 -15333):

- CEQA Guidelines Section 15305 – Minor Alterations In Land Use Limitations

Reasons why project is exempt:

The project is a minor lot line adjustment not resulting in the creation of any new parcel. As such, the project qualifies as a Class 5 categorical exemption (Section 15305 of the CEQA Guidelines) for minor alterations to land use limitations in areas with an average slope of less than 20 percent, which do not result in any changes in land use or density. For these reasons, there is no possibility that the activity in question may have a significant impact on the environment and is therefore exempt from the provisions of CEQA.

Section 15300.2 – Exceptions

Section 15300.2 of the CEQA Guidelines, Exceptions, provides conditions under which categorical exemptions are inapplicable. Review of the Project indicates that it will not violate any of the exceptions, as described in the following section.

1. *The project will occur in certain specified sensitive environments or locations;*

The Project will have no impact on specified sensitive environments or locations.

2. *Cumulative impacts will be considerable because successive projects of the same type will occur at the same place overtime;*

The Project will not result in significant singular or cumulative environmental impacts. No cumulative impacts will result from the Project and successive projects of the same type and at the same place over time.

3. *There is a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstance.*

There are no unusual circumstances that will result in a significant effect on the environment.

4. *The project may result in damage to scenic resources, including but not limited to trees, historic buildings, rock outcroppings, or similar resources within a highway officially designated as a scenic highway;*

The Project is not located in the vicinity of a highway officially designated as a scenic highway. The closest State designated scenic highway is over 10 miles from the project site. Therefore, the project will not result in damage to scenic resources or similar resources within a highway that is officially designated as a scenic highway.

5. *The project is located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code; or*

The Project site is not included on any list compiled pursuant to Section 65962.5 of the Government Code. Therefore, the Project will not have an impact related to being located on a hazardous waste site.

6. *The project may cause a substantial adverse change in the significance of a historic resource.*

The project site does not contain any historical resources.
