Present Land Use/Zoning/General Plan Designation:

Freeway Commercial (FC), Heavy Industrial (M-2) Residential Single Family (R-1-6)

Project Description: *(please use a separate page if necessary)*

The project would replace the existing intersections of U.S. 101 and Kenmar Road at the interchange with roundabouts, including modifications to the on- and off-ramps, relocation of the park and ride facility, Kenmar Road lane improvements, and realignment of Eel River Drive and Riverwalk Drive. The project may also include traffic signal and lane improvements on the western Kenmar leg of the Ross Hill Road intersection. The project will improve navigation and traffic on Kenmar Road and Eel River Drive, including the Kenmar Road and U.S. 101 interchange. The project is located approximately 1,000 feet east of the Eel River near the southwestern corner of the City of Fortuna, is approximately 16 acres in size, and is comprised of existing Caltrans, City of Fortuna, and Humboldt County right-of-way. Construction is expected to begin in 2025 or later, over two construction seasons.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
