SUBJECT: Public Review Period for General Plan Amendment 22-03, Safety Element.

Dear Sirs:

The City of Canyon Lake attempted to advertise the above listed Project in the local newspaper for December 16, 2022. The notice was sent to the paper prior to the deadline, but we were unable to confirm receipt prior to the publication date. A subsequent review of the newspaper found the advertisement did not occur. As such, we readvertised for the following week. The length of the review period will maintain the statutory time limits.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Jim Morrissey, City Planner
