Project Title: City of Canyon Lake General Plan Amendment - Safety Element Update
Project Applicant: City of Canyon Lake
Project Location (include county): Canyon Lake, Riverside County

Project Description:
The City is undertaking an Update of the General Plan Safety Element in order to align it with other General Plan elements, as required by state law. The Update to the Safety Element also strives to align it with recently enacted State Laws and in order to adopt new climate adaptation and wildfire strategies. The Safety Element Update identifies a variety of disaster preparedness, response, and recovery goals, policies, and programs that can help reduce loss of life, injury, damage to private property and infrastructure, and economic losses and social dislocation, and in the process promote resilience throughout the City of Canyon Lake.

This is to advise that the City of Canyon Lake has approved the above [X] Lead Agency or [ ] Responsible Agency)

described project on April 12, 2023 and has made the following determinations regarding the above (date) described project.

- 1. The project [ ] will [X] will not have a significant effect on the environment.
2. [ ] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [X] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [ ] were [X] were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [ ] was [X] was not adopted for this project.
5. A statement of Overriding Considerations [ ] was [X] was not adopted for this project.
6. Findings [X] were [ ] were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: 31516 Railroad Canyon Road, Canyon Lake, California 92587
