PROJECT TITLE: Interpretive Stagecoach Storage Installation

LOCATION: Santa Susana Pass State Historic Park

COUNTY: Los Angeles

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:

This project proposes the installation of a steel shipping container in a dirt area on the eastern boundary of Santa Susana Pass State Historic Park along Shadow Oak Drive for the purpose of storing an interpretive stagecoach trailer. Light grading is required to level the dirt area for the placement of the container, including excavating some material from the adjacent hill to spread over the dirt area to create a level and stable surface. The project also includes installation of approximately 100 feet of chain link fence and gate to secure the dirt area as this location has experienced unauthorized dumping and camping. Measures to avoid impact and further project detail may be obtained by submitting a request to the project Environmental Coordinator listed below.
