Project Location – City: Middletown Project Location – County: Lake

Description of Nature, Purpose and Beneficiaries of Project:

The description of the nature of the project:

A fire protection project consisting of replacing 6-inch waterlines with 8-inch water lines to provide additional flows to fire hydrants; replacement of 17 stand pipes with fire hydrants; and installing two short segments of 8-inch watermain to provide for looping of the water system to provide adequate fire flows.

The purpose of the project:

To provide adequate fire flow to hydrants throughout the town to improvement fire flows, as well as upgrade fire hydrants to provide added fire fighting capabilities.

The beneficiaries of the project:

The citizens of Middletown.

Name of Public Agency Approving Project: Callayomi County Water District

Name of Person or Agency Carrying Out Project: Callayomi County Water Agency

Exempt Status: (check one)

- Ministerial (Sec. 21080 (b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Section 15301, Class 1 - Existing Facilities Section 15303(b), and Section (f) addition of safety or health protection devices in conjunction with existing structures and facilities.
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

Posted 12/19/22 to 1/23/23

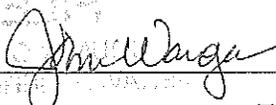

The project is found to be exempt as it is replacement of existing facilities and the addition of two minor water lines to provide adequate fire flows and pressures within the overall water system.
