The applicant is requesting approval of a tentative map to subdivide the subject 1.50-acre parcel into two parcels. Upon dedication of approximately 0.09-acres of right of way to the County for the potential, future widening of North Jackson Way, Parcel A would have an approximately 0.46-acre gross lot area and Parcel B would have an approximately 0.95-acre gross lot area. The San Ramon Creek area within the easternmost portion of the subject property (approximately 25 percent of proposed Parcel B) is restricted from development through a recorded grant deed of development rights (4212 OR 96, recorded 1962). The proposed site improvements include an approximately 16-foot paved road within an access easement ranging between 35 feet and 39.6 feet in width for access to Parcel B from North Jackson Way, and (cont.)

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
