Present Land Use/Zoning/General Plan Designation:

Vacant Agriculture/Exclusive Ag -40 acre minimum/Service Commercial

Project Description: (please use a separate page if necessary)

The project proponent, Sack Holdings, proposes a zoning change of a 19.88-acre parcel from Exclusive Agriculture 40 acre minimum (A-40) to Commercial Service (CS) consistent with the General Plan designation and Use Permit to allow a green waste chipping and grinding operation coupled with a soil amendment blending operations, accepting green materials, yard trimmings and agricultural materials on 5.25 acres. The project requires zoning text amendment to allow composting and recycling facility as a conditionally allowable land use in the CS zoning district.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
