

**NOTICE OF INTENT / NOTICE OF AVAILABILITY**  
**TO ADOPT THE MITIGATED NEGATIVE DECLARATION FOR THE**  
**P STREET LIFT STATION PROJECT**

**December 22, 2022**

**LEAD AGENCY:** City of Live Oak  
9955 Live Oak Boulevard  
Live Oak, California 95953

**PROJECT TITLE:** P Street Lift Station Project

**PROJECT LOCATION:** The Proposed Project is located at the northwestern corner of the intersection of P Street and Date Street on two parcels of land totaling 0.5 acres.

**PROJECT DESCRIPTION:**

The Project consists of the demolition of approximately 0.14 miles of existing sewage and storm drain pipelines; construction of a new wet well, installation of three new pumps, valves, piping, and a flowmeter with associated vaults; replacement of the existing motor control center, backup generator, and other electrical improvements; replacement of gravity wastewater piping and structures; a new perimeter CMU wall with two access gates; improvements to the electrical and controls building including a new roof; asphalt paving of the Site; drainage infrastructure within the adjacent roadway ROW of Date Street and P Street; the installation of a new box culvert within the drainage ditch onsite (between the lift station and the proposed staging area); and other various improvements.

**PUBLIC REVIEW PERIOD:** The 30-day public review period for the Mitigated Negative Declaration will commence on December 22, 2022 and ends on January 20, 2023 for any interested and concerned individuals and public agencies to submit written comments on the document. Copies of the Mitigated Negative Declaration are available for review at the City of Live Oak City Hall at the above address and on the City's web site at:

<https://www.liveoakcity.org/services/advanced-components/list-detail-pages/rfp-posts-list>

.

**PUBLIC MEETING:** The City of Live Oak will consider the adoption of the Mitigated Negative Declaration at a City Council meeting anticipated to occur on February 1, 2023.
