Present Land Use/Zoning/General Plan Designation:

Public School

Project Description: *(please use a separate page if necessary)*

LAUSD currently has a K-12 enrollment of approximately 502,850 students, including charter school students. The District also serves approximately 11,795 pre-K and early education students, 23,094 in special education and other programs, and 27,740 Adult Education students. To serve all these students, the District operates or funds 1,424 primary, elementary, middle, and high schools, along with special education, charter, magnet and other specialized schools and work centers. Since 1997, LAUSD has embarked on an unprecedented capital improvement program that has grown to a total budget of over \$32 billion—the largest new school construction and modernization program in the history of the United States. This Subsequent Program EIR updates that effort. Under State law, bond program funds cannot be used for school operations or administrative support tasks such as general administration, teachers' salaries, materials, and/or supplies for general or instructional use. Allowable uses include: Modernization, Renovation, Construction. Increase of capacity in classrooms or specialized facilities such as libraries. Land purchase and relocation to enable school use. Other purposes as designated in the local bond language that complies with State laws and constitutional provisions.
