

NOTICE OF INTENT TO ADOPT NEGATIVE DECLARATION: CORRECTION

January 11, 2023

To: State Clearinghouse, Governor's Office of Planning & Research

From: David Feinstein, Community Development Director

Subject: Updated Posting for City of Fairfield Draft Negative Declaration – SCH # 2022120605

On December 22, 2022, the State Clearinghouse posted a Notice of Intent (NOI) of a Negative Declaration ("ND") for the City of Fairfield's ("City") 6th Cycle Housing Element update. The previous NOI reflected an incorrect public review period. The City of Fairfield is requesting that the state and local review end date be changed from January 20th, 2023 to January 27th, 2023.

The City is posting an updated NOI and NOC to reflect the corrected public review and comment period of December 22nd, 2022 to January 27th, 2023.

Three nonsubstantive edits to the ND have also been made:

1. PDF p. 37: "Redevelopment Department" corrected to "Community Development Department"
2. PDF p. 38: "Section V" is corrected to "Section XV"
3. PDF p. 38: Appropriate entity for determination changed from "Community Development Department" to "Mayor"
