Description of Nature, Purpose and Beneficiaries of Project:

Well replacement and construction of arsenic treatment system project to reduce naturally occurring arsenic to comply with drinking water standards for the town of Grimes.

Name of Public Agency Approving Project: Colusa County Waterworks District No. 1

Name of Person or Agency Carrying Out Project: Colusa County Waterworks District No. 1

Exempt Status: (check one)

Ministerial (Sec. 21080(b)(1); 15268);

Declared Emergency (Sec. 21080(b)(3); 15269(a));

Emergency Project (Sec. 21080(b)(4); 15269(b)(c));

Categorical Exemption. State type and section number: Section 15303. New Construction or Conversion of Small Structures

Statutory Exemptions. State code number: \_\_\_\_\_

Reasons why project is exempt:

The project would include construction of several small structures to remediate naturally occurring arsenic in the groundwater. The project would include construction of one new groundwater well, a pipeline connecting the new well and existing well, a water treatment building, a water storage tank, and a booster pump station. These structures would be constructed within previously disturbed areas and within existing roadways. One tree would be removed for construction of the new well. It would be removed between September 16 and February 14 which would avoid potential impacts on nesting birds. The project would not result in any significant impacts.
