Pursuant to Section 21152 of the Public Resources Code, this form constitutes the **Notice of Determination** indicating the action and environmental findings adopted by the County of Sonoma for the project described below.

Project Title: Wildlife Exclusion Perimeter Fencing Project
Project Location/Address/APN: STS Charles M. Schulz- Sonoma County Airport
2200 Airport Blvd, Santa Rosa, CA 95403, APN 059-260-001, 059-260-010, 057-070-003, 066-280-015
Lead Agency: Sonoma County
Decision Making Body: Sonoma County Board of Supervisors
Date of Approval: June 6, 2023
Project Applicant: Sonoma County Department of Public Infrastructure, 2300 County Center Drive
Suite A220, Santa Rosa, CA 95403
State Clearinghouse Number: 2023010070

Project Description: The County of Sonoma (County) proposes to complete a wildlife exclusion perimeter fence along the Airport boundary. The wildlife exclusion perimeter fence is needed to meet recommended FAA National Part 139 CertAlert Wildlife Exclusion Fencing criteria, to stay consistent with the Airport's Wildlife Hazard Management Plan, and to be an effective deer excluder provided that several gaps in the existing fence are closed.

The Wildlife Exclusion Perimeter Fence Project (Proposed Project) would result in adding barbed wire to about 34,201 feet (about 6.48 miles) of fence line, replacing 1,655 feet of a 6-foot fence with an 8-foot fence, adding 1,841 feet of a new 8-foot fence, installation of four debris racks, and creating 20 swale crossings for the fence. For the portions of the wildlife exclusion perimeter fence that would be on non-paved areas, a Dig Defense -type fence, which is placed below grade to reduce the likelihood of burrowing animals accessing the Airport, would be used.

This is to advise that the Sonoma County Board of Supervisors has approved the above described project and has made the following determinations:

1. The project will not have a significant effect on the environment.
2. An Initial Study and Mitigated Negative Declaration were prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of approval of the project.
4. A Statement of Overriding Considerations was not adopted for this project.

The environmental documents and record of approval may be examined at the office of the Sonoma County Permit and Resource Management Department, 2550 Ventura Avenue, Santa Rosa, California. For more information, contact Jackson Ford at (707) 565-8356.
