Project Description (Proposed actions, location, and/or consequences).

A Site Approval application to expand an existing truck parking facility in 2 phases over 5 years. Phase 1 includes grading and adding gravel for parking 52 additional trucks and 52 additional trailers. Phase 2 includes construction of a 5,400 square foot cross dock warehouse. Access to the site is from E. Mariposa Road. The operation will continue to utilize onsite well and septic system. An expanded retention pond is proposed.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

SJCOG responded to this project referral that the project is subject to the SJMSCP. The applicant has confirmed that he will participate in SJMSCP. With the applicant's participation, the proposed project is consistent with the SJMSCP and any impacts to biological resources resulting from the proposed project will be reduced to a level of less-than-significant.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
