Project Title: CSDR Canopy Removal Project - 5195
Project Location – Specific: 3044 Horace Street 92506
Project Location – City: Riverside
Project Location – County: Riverside

Description of Nature, Purpose, and Beneficiaries of Project:
The proposed project will remove approximately 31,000 square feet of overhead canopies due to deterioration for the safety of the students and staff at the Riverside School for the Deaf. Work will remove the canopies, posts, footings, reroute/replace/remove gutters and down spouts, and remove/reroute/replace any electrical components that run along the canopies, as needed. In addition, workers will abate the asbestos materials found around the canopies. After the removal all holes will be backfilled in with grout and/or concrete as needed.
