### Project Description

**Project Title:** Hawker-Crawford Storm Drain Realignment Project

**Project Location:** City of Rancho Cucamonga in San Bernardino County

**Project Description:** The project is the realignment of the Hawker-Crawford flood control channel into a subterranean storm drain facility with an outlet at San Sevaine Basin No. 1. The project includes construction of a new transition from the existing box culvert under Beech Avenue, construction of the storm drain on the south side of Beech Avenue, and construction of outlet improvements within San Sevaine Basin No. 1. Associated construction activities would include the removal and reconstruction of portions of Beech Avenue and Cherry Avenue and of existing sidewalks, curbs, gutter and guard rails; construction and/or relocation of utilities and signage as appropriate, and; installation/replacement of 6' chain link fencing.
