**NOTICE OF INTENT TO ADOPT
A MITIGATED NEGATIVE DECLARATION**

Public Resources Code Section 21092 and Cal. Code of Regulations Title 14, Section 15072 (the Guidelines for the California Environmental Quality Act) require a local agency to provide a notice of intent to adopt a negative declaration or mitigated negative declaration to the public, responsible agencies, trustee agencies, and the county clerk of each county within which the proposed project is located, sufficiently prior to adoption by the lead agency of the negative declaration or mitigated negative declaration to allow the public and agencies the review period provided under Section 15105 of the Guidelines.

Project Title: ENV-2021-10171-MND

Project Location: 1200-1210 North Cahuenga Boulevard, 6337-6357 West Lexington Avenue, and 6332-6356 West La Mirada Avenue, Los Angeles, California, 90038

Project Description: The 1200 N. Cahuenga Boulevard Project (the "Project") is located at 1200 – 1210 N. Cahuenga Boulevard, 6337 – 6357 W. Lexington Avenue, and 6332 – 6356 W. La Mirada Avenue (the "Project Site") in the City of Los Angeles. The Project proposes to replace an existing, vacant private school campus, the Stratford School, with an approximately 75,262 square-foot creative office campus with a ground-floor retail use. The Project would be comprised of three buildings, Buildings A, B, and C, with an outdoor courtyard located between the buildings. The Project would demolish the school's subterranean parking lot and access ramp, topped with a recreational field and basketball court, and two playgrounds. The Project would also demolish 8,941 square feet of the existing approximately 28,389 square-foot private school building, but would otherwise preserve and upgrade with a few exterior modifications the remaining approximately 19,448 square feet of the building and its subterranean parking garage to be a creative office building (Building B). Building A would be new, located along the northern border of the Project Site, would contain 35,000 square feet, and would be four stories and a maximum of 57' 1" in height. Building B would consist of 19,448 square feet of the existing two-story, 42' 6" tall school building; Building B's unusually tall first story would place its second story approximately in line with the third stories on Buildings A and C. Building C would be new, occupy the southwest corner of the Project Site, would contain approximately 20,814 square feet, and would be four stories and a maximum of 60' 11" in height. All three buildings would provide decks and balconies adjacent to the creative offices. The buildings would surround an outdoor courtyard for the use of the buildings' tenants. The Project would provide 156 vehicular parking spaces and 22 bicycle spaces within the Project's one-level subterranean parking garage, which would extend under both Buildings A and B, and two at-grade parking areas on the first floors of Buildings A and C. The subterranean garage under Building A would contain

automated parking stackers. The Project would be built on the 53,557 square-foot Project Site, resulting in a site-wide Floor Area Ratio (FAR) of approximately 1.41 to 1 and a total floor area of 75,262 square feet. Approximately 7,466 cubic yards of dirt is expected to be excavated and exported from the Project Site during construction, including 5,276 cubic yards for the subterranean garage excavation and 2,190 cubic yards for the foundation work.

Schedule: The City of Los Angeles will receive comments on the Mitigated Negative Declaration (MND) for 20 days beginning January 19, 2023 and ending February 8, 2023. The City of Los Angeles, as lead agency, will make a determination on the project, following a public hearing to be scheduled.

Copies of the Mitigated Negative Declaration and all documents referenced in the Mitigated Negative Declaration are available on the Department of City Planning's website at <https://planning.lacity.org/development-services/negative-declaration-public-notice>. Submit your comments by contacting Alex Truong at alexander.truong@lacity.org or (213) 978-3308 or if you need to review the case file materials.
