The TUOP would also include approximately 3,800 square feet of water area at the Crosby Street Pier and one (1) parking space located at the Tenth Avenue Marine Terminal. The areas proposed for use under this TUOP are currently and are proposed to be used only and exclusively for the purpose of mooring; crewing; provisioning; the minor maintenance of vessels that does not result in the release of substance to air, water, or soil in accordance with all applicable laws and regulations; and parking and for no other purpose whatsoever without the prior written consent of the Executive Director of District in each instance.
