Project Title: HQ Security Checkpoint Upgrades - OES

Project Location – Specific: 3650 Schriever Avenue

Project Location – City: Mather

Project Location – County: Sacramento, 95655

Description of Nature, Purpose, and Beneficiaries of Project:

The Proposed project will upgrade the main and secondary vehicle entries at the Office of Emergency Services Headquarters in Mather, CA. At the two entries work will excavate and trench to remove approx. 600 square feet of landscaping, irrigation system(s), approx. 1400 of concrete/asphalt concrete, associated lighting, gate arms, electrical components, and pavement. Work will then install at each location: new concrete pad(s), a new security kiosk with heating/cooling capabilities, new electrical and data connections, and new anti-ram crash gates. Additional work will replace a pole mounted camera within the parking area.
