Project Description: (please use a separate page if necessary)

The proposed project would demolish a temporary trailer located within Lot 5, installed during the previous Mesa Court expansion, to construct a building with up to 450 student beds in the existing Mesa Court student housing complex. The development would also include common areas throughout the building, including study areas, collective hubs with kitchens, and laundry facilities. Additional site work and development would include grading, connection to utility and drainage systems, installation of lighting and landscape improvements, and construction of pathways and outdoor gathering spaces.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
