Present Land Use/Zoning/General Plan Designation:

Commercial/Commercial

Project Description: (please use a separate page if necessary)

3K1 Consulting Services, LLC proposes to develop a 4,552-square-foot Quick N Clean Car Wash and appurtenant facilities on the approximately 1.60-acre site. The proposed project would provide 37 vacuum structures within 37 standard parking stalls and a 138-foot drive-through vehicle wash tunnel; three drive-through pay stations; and paved driveways. The vehicle wash tunnel would be 4,552 square feet and would use a water recycling system to reduce water usage. Paved surfaces would total 39,715 square feet and building setbacks and side yards would be provided around the perimeter of the site, including a 25-foot parking setback adjacent to US-395. The drive-through vehicle wash tunnel would be located on the eastern end of the site. The project site is designated Commercial in the General Plan and is zoned Commercial.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
