**SUBJECT: *Filing of Notice of Determination pursuant to Public Resources Code section 21108***

**State Clearinghouse Number: 2023020037**

**Project Title:** EA 03-3H590 I80 PM 27.5 – Blue Canyon Pavement Rehabilitation (Streambed Alteration Agreement EPIMS Notification No. PLA-45544-R2)

**Project Location:** The project is located at Wooley Creek, along eastbound Interstate (I) 80, west of the Applegate Road overcrossing at approximately PLA-80 in the County of Placer, State of California, post mile (PM) 27.15.

**Project Description:** The project will include pavement rehabilitation and widening of the eastbound lanes to accommodate for a new 12-foot truck climbing lane and standard 10-foot shoulder lane, upgrading guard rails, and extension of the eastbound truck climbing lane between post mile (PM) R26.5 to 29.2. Extension of the truck climbing lane will require drainage improvements, including the replacement of two (2) culverts and extension of five (5) culverts. The drainage work is listed below. A 12-foot box culvert wildlife undercrossing will also be installed, along with wildlife exclusion fencing and 16 wildlife jump-outs. The project is part of a larger pavement rehabilitation and truck climbing lane extension project on I-80 from PM 26.5 to 55.1 involving replacing the roadway,

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Lake and Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.

**Notice of Determination**

- 5. A statement of overriding considerations was not adopted by CDFW for this project.
- 6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
