Project Applicant: Sutter County Development Services Department - Engineering

Project Location - Specific:

Five (5) road segments within unincorporated Sutter County

Project Location - City: NA Project Location - County: Sutter

Description of Nature, Purpose and Beneficiaries of Project:

Five (5) road segments for a total of 10.64 miles require rehabilitation due to the deterioration of their roadway surface. The road segments will receive a triple cape seal consisting of three (3) layers: micro-surface seal, rubberized chip seal, and micro-surface seal. All work will occur within the County's existing right-of-way and will not widen the existing asphalt roadway. Roads are primarily local roads in a rural residential / agricultural setting and one major collector used by locals to access State Route 99. The following roads are included: Cornelius Avenue, Catlett Road, Knights Road, Carlson Road, and Riego Road.
