**Project Title:** Reclamation District 1002 Glannvale Tract

**Project Location:** Reclamation District No. 1002 (Glannvale Tract) is located along Lost Slough and Snodgrass Slough in the County of Sacramento, CA

**Project Description:** The California Department of Fish and Wildlife has executed Streambed Alteration Agreement, EPIMS-SAC-29293-R3, pursuant to Section 1602 of the Fish and Game Code to Barbara McGowan, Reclamation District No. 1002.

The project is limited to any routine maintenance activity including, but not limited to, any maintenance activity that is funded by the Delta Levees Program or its successor, described in Section 12987 of the Water Code.

In brief summary, activities which are considered "routine" include: clearing of debris and vegetation from water and flood control devices, repair of existing water control devices, repairing levees and adding riprap, vegetation control, removal of encroachments, rodent control, and repairing and shaping levee crowns and patrol and access roads. Routine maintenance does not include any new work other than described above. Routine maintenance does not include the removal or damage to living riparian vegetation except as permitted below.

This 1602 Agreement consists of the Agreement, project impacts, administrative measures and list of authorized maintenance activities.
