To Whom It May Concern,

The City of Murrieta is requesting to amend the public review period from June 6, 2023, to July 6, 2023, to extend from June 6, 2023, to July 10, 2023. This amendment request to the public review period is due to material inconsistencies found during the posting of the newspaper ad and required additional staff time to meet publishing deadlines.

Subsequently, the City of Murrieta respectfully requests that the public review period be amended to reflect June 6, 2023, to July 10, 2023.
