- Statutory Exemptions: [State code section number]
- General Rule [CCR, Sec. 15061(b)(3)]

Reasons Why Project is Exempt:

The Department of Cannabis Control has determined that the project is a Class 1 Categorical Exemption Project. Class 1 Categorical Exemptions consist of the operation, repair, maintenance, permitting, leasing, licensing, or minor alterations to existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The Project involves the use of an existing industrial building with no proposal for building expansion. The design, location, size, and operating characteristics of the Project are compatible with the existing and future land uses within the vicinity as it is zoned light industrial zoned. None of the exceptions to the exemption defined in Section 15300.2 apply to the Project. This is to certify that the final environmental document, comments and responses, and the record of project approval are available to the public at the following location:
