Project Description: (please use a separate page if necessary)

The project is a City-initiated effort to comply with the adopted 2021-2029 Housing Element (Program H-C-7). The project proposes a General Plan Amendment to re-designate 29 parcels from Medium/Low Density Residential (MLDR) to Medium/High Density Residential (MHDR), two parcels from Office and Office Park to MHDR, one parcel from Public and Semi Public to MHDR, and three parcels from Low Density Residential to MHDR. Additionally, for consistency, the project proposes to rezone four parcels from R-2 (Two Family Residence) to R-3 (Multi-Family Residence), three parcels from C-O (Commercial Office) to R-3, and three parcels from R-1 to R-3. Three of the candidate sites will include an overlay zone requiring development at a minimum density of 20 dwelling units per acre and accommodate a minimum of 16 units. No development or construction is proposed in conjunction with this effort. Previous draft document SCH#2022070462
