## Notes

## NOTICE OF EXEMPTION

To: **County of Riverside**  
**County Clerk-Recorder**  
2724 Gateway Drive  
Riverside, CA 92507

From: **Mission Springs Water District**  
66575 Second Street  
Desert Hot Springs, CA 92240

Project Title: MSWD Well #22 Rehabilitation Project

Project Location: The MSWD Well #22 project site is located in the City of Desert Hot Springs just south of and adjacent to Pierson Boulevard, just east of its intersection with Little Morongo Road.

Project Location - City: City of Desert Hot Springs

Project Location - County: Riverside County

Description of Nature, Purpose, and Beneficiaries of the Project: The proposed MSWD Well #22 Rehabilitation Project will enhance the efficiency of groundwater production at this well and return its level of groundwater production to its original volume. The proposed rehabilitation will include: rehabilitation of the existing well casing and pump equipment; installation of new electrical equipment; installation of a new chlorination facility, and other support changes. All of the above proposed activities will occur within the footprint of existing disturbed areas at the Well #22 site.

Name of Public Agency Approving Project: Mission Springs Water District

Name of Person or Agency Carrying Out Project: Mission Springs Water District

Exempt Status: (Check One)

- Ministerial (Sections 21080(b)(1); 15268)
- Declared Emergency (Sections 21080(b)(3); 15269(a))
- Emergency Project (Sections 21080(b)(4); 15269)
- Categorical Exemption (Sections 21084; 15301(b))

Reasons why project is exempt: The State CEQA Guidelines provide a series of Categorical Exemptions for projects that have been deemed to have minimal impacts on the environment. The proposed rehabilitation of Well #22 Project has been determined to have no potential to cause significant adverse effects on the environment and will ensure the facility continues to function at higher efficiency and as originally designed. Categorical Exemption Class I exempts "operation, repair, maintenance, or minor alteration of existing public or private structures, facilities and mechanical equipment...involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination." (b) Existing facilities of both investor and publicly owned utilities used to provide electric power, natural gas, sewerage, or other public utility services. The exceptions to the issuance of Categorical Exemptions have been evaluated for the proposed project activities. The proposed Project has been determined not to have a potential to cause significant adverse environmental effects as a result of any of the exceptions. Therefore, this proposed action is not forecast to cause any potential for significant adverse environmental impacts and qualifies with the requirements for Class 1 exemption.
