SUBJECT: SCH #2023020567 - Corrected Notice of Availability of a Draft Environmental Impact Report Supplement

Greetings,

The attached notice of availability of the draft environmental impact report (EIR) supplement regarding regulatory amendments to allow incidental take during work on pre-existing artificial structures in marine protected areas has been updated to reflect the correct end date for the public review period.

The draft EIR supplement public review period began on July 31, 2023 and ends **September 13, 2023**.

Please include the revised notice of availability as an attachment to SCH #2023020567, published July 31, 2023.

Sincerely,
Maurene Trotter
