NOTICE OF INTENT / NOTICE OF AVAILABILITY
TO ADOPT THE MITIGATED NEGATIVE DECLARATION FOR THE
ISLETON WASTEWATER TREATMENT SYSTEM IMPROVEMENT PROJECT

March 1, 2023

LEAD AGENCY: City of Isleton
 101 2nd Street
 Isleton, California 95641

PROJECT TITLE: Isleton Wastewater Treatment System Improvement Project

PROJECT LOCATION: The Proposed Project is located within the City of Isleton street rights-of-way and sewer easements along various streets within the City and at the City's Wastewater Treatment Facility.

PROJECT DESCRIPTION:
 The Proposed Project includes sanitary sewer improvements, earthwork for raising pond berms, storm drain reconnections and equipment upgrades at the City's Wastewater Treatment Facility (WWTF, Figures 2a and 2b). The Proposed Project includes replacement of approximately 6,150 linear feet of wastewater gravity pipeline, abandonment of 660 linear feet of gravity sewer, 33 maintenance holes, and abandonment of 5,070 linear feet of wastewater gravity pipeline. Storm drain reconnections will include approximately 1,200 linear feet of new storm drain pipe, nine maintenance holes, and six drain inlet connections. Equipment upgrades at the WWTF will generally include installation of a new backup generator, new aerators, blowers and other required electrical equipment.

PUBLIC REVIEW PERIOD: The 30-day public review period for the Mitigated Negative Declaration will commence on March 1, 2023 and ends on March 30, 2023 for any interested and concerned individuals and public agencies to submit written comments on the document. Copies of the Mitigated Negative Declaration are available for review at the City of Isleton City Hall at the above

address and on the City's web site at <https://cityofisleton.com/departments/planning-department/>

PUBLIC MEETING: The City of Isleton will consider the adoption of the Mitigated Negative Declaration at a City Council meeting to be determined.

Solano County Genealogical Society Next Meeting March 4

Christine Cohen will give a virtual presentation, "Immigration: Ports of Entry" at the next meeting of the Solano County Genealogical Society. This presentation begins at 11 am on Saturday, March 4, 2023.
