Lathrop, CA 95330

(Address)

Project Title: Callerton Avenue Crossing with Stewart Canal

Project Applicant: Island Reclamation District No. 2062

Project Location - Specific:

Callerton Avenue near Winton Avenue, Lat/Long: 37°48'22.80"N 121°20'52.06"W

Project Location - City: Lathrop

Project Location - County: San Joaquin

Description of Nature, Purpose and Beneficiaries of Project:

The project involves the construction of the final segment of Callerton Avenue over the Stewart Canal, a delineated Waters of the United States. Callerton Avenue is a four lane arterial street that has been largely constructed from River Islands Parkway to Cambay Parkway within the City of Lathrop. The remaining portion of the roadway is a pipe culvert/fill over the Stewart Canal. The roadway will also include pedestrian and bicycle paths that are part of the larger River Islands pedestrian/bicycle network. The roadway and utilities are approved improvements by the City of Lathrop for its larger roadway and utilities network.

Name of Public Agency Approving Project: Island Reclamation District No. 2062

Name of Person or Agency Carrying Out Project: Island Reclamation District No. 2062

Exempt Status: **(check one):**

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Sec. 15303 (d) New Construction of Small Structures
- Statutory Exemptions. State code number: \_\_\_\_\_

Reasons why project is exempt:

Section 15303 allows extension of water mains, sewage, electrical, gas, and other utilities including street improvements, of reasonable length to serve such construction. The balanced of Callerton Avenue, including utilities have been constructed. This final segment is only 65 feet long and will make the final connection to the existing roadway and utilities.
