**Project Description**

The proposed Project consists of applications for a General Plan Amendment (GPA220009), Change of Zone (CZ2200031), and Tentative Tract Map (TTM38510) to allow for the development of 232 single-family dwelling units on a 140.8-acre property located at the northwest corner of Iris Avenue and Chicago Avenue in the Lake Matthews/Woodcrest community of unincorporated Riverside County. GPA220009 is a proposal to change the site's General Plan land use designation from "Rural Community – Very Low Density Residential (RC-VLDR)" to "Rural Community – Low Density Residential (RC-LDR)." CZ2200031 is a proposal to change the site's zoning classification from "Light Agriculture, 10-Acre Minimum Lot Size (A-1-10)" to "One Family Dwellings, 10,000 square-foot (s.f.) minimum lot size (R-1-10,000)." TTM38510 is a proposal to subdivide the 140.8-acre property to develop 232 residential lots on approximately 87.7 acres, open space (including a trailhead) on approximately 25.0 acres, water quality basins on 4.9 acres, a sewer lift station on 0.25acre, and street improvements and right-of-way dedications on 23.0 acres. Governmental approvals requested by the Project Applicant from Riverside County to implement the Project consist of the following:

1. Adoption by resolution of General Plan Amendment No. 220009 (GPA220009)
2. Adoption by ordinance of Change of Zone No. 2200031 (CZ2200031)
3. Adoption by resolution of Tentative Tract Map No. 38510 (TTM38510)
