Project Description: (please use a separate page if necessary)

A Site Approval application to construct a 4,350-square-foot, single-family residence with an attached garage and covered patio within the OS/RC (Resource Conservation) General Plan designation. The residence will be served by a private well for water and a private septic system for sewage disposal. Storm water will be retained on site. A Private Right of Way is included in the project.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
