

CEQA Notice of Intent to Adopt a Mitigated Negative Declaration for Alameda County Fire Department Training Center Project

In accordance with the California Environmental Quality Act (CEQA) Guidelines Section 15072 and Public Resources Code Section 21092, the Alameda County Fire District is providing notice of intent to adopt a mitigated negative declaration (MND) of environmental impact for the “Alameda County Fire Department Training Center Project” as described here. The public is invited to comment on the proposed MND pursuant to the provisions of CEQA. The review period is 20 days and commences on March 20, 2023 and ends on April 10, 2023. Written comments must be submitted to the Alameda County General Services Agency no later than 5 pm on April 10, 2023. A copy of the document is available for review at the Alameda County Fire Department Administration Office located at 6363 Clark Avenue, Dublin, CA. 94568. They are open Monday-Friday from 8:00 am to 3:00 pm.

The Project comprises 5.2 acres of county-owned land located at 5053 Gleason Drive in the City of Dublin. It sits adjacent to the East County Hall of Justice to the west and to the east of the Alameda County Fire Station 17 and the California Highway Patrol.

This Project involves the construction of a one-story, approximately 8,000 square foot classroom building, a five-story training tower, an approximately 600 square foot accessory building, a covered utility area, a parking lot, and landscaped areas. The project includes grading and the removal of the existing trees on-site and one off-site tree. As part of a future phase, ACFD intends to construct a fire apparatus storage building on the site.

For further information, submission of comments, or to request a copy of the Initial Study and proposed MND, please contact Patrick Lam, Alameda County General Services Agency at (510) 208-9522, or email at Patrick.Lam@acgov.org.

This notice is intended to satisfy the notice requirements of CEQA Guidelines §15072. The project site is not located on a site that is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 (Cortese List).
