Project Title: Caruthers Community Service District Water Line Loop Project

Project Applicant: Caruthers Community Service District

Project Location - Specific:

Intersection of W Mountain View Avenue and W Tahoe Avenue in Caruthers, CA

Project Location - City: Caruthers Project Location - County: Fresno

Description of Nature, Purpose and Beneficiaries of Project:

The proposed project includes the installation of a water line loop from Tahoe Avenue to Mt. View Avenue, and along Mt. View Avenue to West Avenue. The project includes approximately 1,800 linear feet of 12" diameter pipeline, including new valves and hydrants. Looping of the water system improves water service reliability. It reduces the likelihood of water quality deterioration due to stagnation in dead end water lines. Water system pressure and fire flow capacity to this area would also be improved.
