**Project Description:** (please use a separate page if necessary)

The Original Master Plan for the Richard T. Steed Memorial Park was approved by City Council in April 2003. At that time, the existing uses included: four-field softball complex; skate park; play areas; parking and internal circulation; and vegetation.

Since the opening, additional features added have included: improvements to the softball complex; food concession building; enclosed tot lot; picnic area with tables; and two dog parks (large and small breed).

The Master Plan Update (proposed project) includes: mountain bike hub enlargement; new, relocated dog parks; skateboard hub; flex space; scenic overlook and trellis; and added parking. In addition, there are improvements to existing park facilities.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
