

January 7, 2022

Conservation, Development and Planning Department – County of Napa
1195 Third Street, Room 210
Napa, CA 94559

SUBJECT: APN 049-200-003 –1228 Hagen Rd

To Whom It May Concern:

The applicants for a proposed vineyard project on the subject parcel have requested recycled water service from Napa Sanitation District (NapaSan). The subject parcel is not located near NapaSan's recycled water distribution system.

NapaSan provides recycled water for truck hauling from two locations: 1) Soscol Water Recycling Facility located at 1515 Soscol Ferry Road; and 2) Silverado Middle School located at 1133 Coombsville Road. Recycled water could be hauled to the subject property by a permitted truck hauler from one of the two fill locations. Recycled water for truck hauling is only available when NapaSan has sufficient recycled water supply and may not be available in future years or at times when recycled water supply is limited.

If you have any questions regarding this matter, please contact me at (707) 258-6007 or adamron@napasan.com.

Sincerely,

Andrew Damron, P.E.
Technical Services Director
